

15% DISCOUNT

ON ALL ORDERS FOR A COMPLETE SYSTEM* FROM

***Terms and Conditions**

A valid Purchase Order must be submitted to us not later than Friday, December 29, 2017 5:00PM EST and reference the official Quotation Number. The referenced quotation must already include the promotional discount (please contact your sales representative if you need an up-dated quotation).

This Promotion applies only to the following instruments, to be purchased either singly or as part of a larger system (e.g. manual patch clamp rig): HEKA Amplifiers, Patchmaster, Fitmaster, HEKA PIP6 Pullers, MCS MEA-Systems (MEA consumables are excluded), MCS ME2100- and W2100-Systems, PatchServer, HiClamp, Robocyte2, Roboinject, Warner Ussing Systems, Warner Planar Lipid Bilayer Workstations, TBSI IW-, W-, M-, T-, S-, IS-, and IS-M-series.

Promotional discount does not extend to shipping charges nor to applicable taxes, which remain the responsibility of the Purchaser. This offer cannot be applied retroactively to orders already acknowledged, is not convertible to cash and cannot be combined with any other discounts.

Promotion is valid in North America and Europe only.

Contact your sales representative at:

Europe: sales@multichannelsystems.com

North America: ephysleads@harvardbioscience.com
